Subject: PRIVILEGED & CONFIDENTIAL - PREPARED AT THE REQUEST OF COUNSEL - House 1 tracing

---

As requested by counsel, I have started tracing the House 1 loan payments.

My preliminary view is that the community paid about $30,200 of principal, and Parent A paid about $17,500.

Whether Parent A's payments were gifts to John alone depends on documents we have not seen yet; I would not rely on that argument until we have them.

I'll send a full draft next week.
